OUR WORK

Is the kind that gives us a good reputation among the users of printed matter. An expert advertiser who was recently conducting a big sale in our city, and for whom we did a great deal of work, remarked: "In all my experience I never have had work done so well, or delivered so promptly and satisfactorily as you have done it, except in cities many times the size of Arcadia, and very seldom then. If I ever have occasion to conduct a sale within three hundred miles of Arcadia I certainly shall come to your office to have my printing done!"
